**FOOD** is an ART for The World's traveling art project calling the artists for a deep investigation upon the basic act of eating, including inquiries into different issues directly or indirectly related to food, such as the consequences of climate changes, the poisoning of agriculture products, the food distribution gap and other related issues.

FOOD's previous venues were in Geneva, the Musée Ariana (Dec. 2012 – March 2013) and in Sao Paulo, SESC Pinheiros (Feb-May 2014)

Catalogue published by Skira

ART for The World is a Non Governmental Organization (NGO), associated with UNDPPI, the United Nations Department of Public Information, aiming to mobilize contemporary art, cinema and culture on the most relevant issues of our times. Since its foundation in 1995 ART for The World has conceived and curated large projects in many institutions in Switzerland, Italy, France, Greece,.. as well as in Brazil, Morocco, and India. Since 2008, the NGO produced twenty-nine short movies by video artists and independent filmmakers linked to the Human Rights and screened all over the world.
